

SPT 國藥科技

**Among the first batch of
Hong Kong mask
manufacturers to obtain the
“-mark” certification**

MAY 2020

Hong Kong's "Q-mark" certification is highly recognized by consumers and stands for high quality

- The mask brand "SPT MASK" owned by the Group ranks among the first batch of commercial organizations to obtain the "Q-mark" certification, with the license number C820.
- The masks are 100% manufactured in Hong Kong and meet several test standards. Our production process and facilities have been inspected by Hong Kong Q-Mark Council and rated as high quality
- SPT MASK has passed the ASTM F2100 test and has reached the ASTM Level 1 standard, including but not limited to:
 - ✓ Bacterial Filtration Efficiency (BFE) $\geq 95\%$
 - ✓ Particle Filtration Efficiency (PFE) $\geq 95\%$
 - ✓ Pass the synthetic blood penetration test
 - ✓ Pass the Pressure Differential test
 - ✓ Pass the flammability test
